**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently using Sonic.net for telephone and Internet services and am very happy with their efficient, personal, economical service. I am concerned that their ability to provide service at the current level may be disrupted and urge you not to reduce Sonic.net's competitive advantage.

I changed from service provided by ATT to Sonic-net because of clear advantages to that change. I do not want limitation of broadband service to undermine the value of that choice.

Thank you for your consideration.
